September 1, 2024 to August 31st, 2025
and
September 1, 2025 to August 31, 2026

ELIGIBILITY

All AUDA members are eligible for a promotional support of **\$125 per external performance** event as part of the member's activities to partner with AUDA to increase awareness of and to advertise the cultural importance of Ukrainian dance in Alberta. If the performances are at a non-adjudicated festival/event where the AUDA member is in two or more separate performance timeslots (for example an afternoon and evening performance) then the promotional support will be a maximum of \$250.

Performances at adjudicated festivals, dance school recitals, and dance school special events such as anniversaries and your own club's fundraising events (for example: your own Malanka) are considered ongoing activities of a dance entity and therefore are not eligible as part of this promotional activities initiative.

For the above stated period (September 1, 2024 to August 31, 2025), AUDA has approved a total budget of \$5,000 in spending. This translates into \$125 per performance to a maximum of \$1,000 per group. Performance records will be considered for support as submitted until all funds are exhausted.
