

Rural Dance Apprentice Instructor Development Training Initiative

2026-27

AUDA continues to support the succession of experienced Ukrainian dance instructors in rural Alberta. The knowledge held by these Ukrainian dance instructors is a valuable part of training to be shared with the next wave of dance instructors, as they move to become future leaders of Ukrainian dance in Alberta.

AUDA is pleased to offer funding in support of rural dance apprentice instructor development training by providing incentives to our rural Alberta members' community annually.

ELIGIBILITY

To support the **Rural Dance Apprentice Instructor Development Initiative**, AUDA will collaborate with member clubs and schools that operate in demographic areas in Alberta outside of the major urban centers of Calgary and Edmonton, including their adjoining communities.

All parties mentioned in the application need to be AUDA members to qualify. The duration of the instructor apprenticeship cannot exceed nine months.

APPLICATION PROCESS

Ukrainian dance schools, their Primary Instructor (mentor), and the Apprentice Instructor (mentee)—that are all AUDA members—will write their joint case for financial support. The application form consists of three distinct sections designed to provide information about the school (primary applicant), the instructor (mentor), and the apprentice (mentee). You may create separate documents and upload them to the applicable sections of the form.

The application budget for the apprentice and instructor wages line items must include:

1. AUDA support of \$15/hr. to be paid to the Apprentice Instructor plus \$5/hr. to be paid to the Primary Instructor. This will amount to a total of \$20 support per hour paid by AUDA.

2. Dance School Applicant will provide minimum support of \$5/hr. for the same number of hours to the Apprentice Instructor as part of the school's commitment to instructor development. This means that combined with AUDA's \$15/hr. the Apprentice Instructor will receive a minimum of \$20/hr.
3. At the end of an instructional year and upon receipt of the request for reimbursement, AUDA will pay the dance school applicant AUDA's portion of pre-approved Apprentice Instructor and Primary Instructor fees.

SUBMISSION DATE

November 1 with the possibility of extension if clubs fall behind with their recruitment processes.

Please submit your application package through the Google form link below

EVALUATION CRITERIA

1. Applications will be juried by two members of the AUDA board and one external juror.
2. All successful member applicants will have to complete a reimbursement request to receive funds and a narrative final report to AUDA at the end of the year.
3. If a successful apprenticeship cannot be completed as approved, the applicant must make a new application at the next deadline.
